

STATE OF FLORIDA

Solar Energy System Incentives Program

Rebate Application Form

This rebate application must be submitted within 90 days after purchase of the system. Application must be accompanied by a photocopy of the original signed purchase agreement showing installation date, system cost, payment received and system location and a photograph of the installed system. Please complete this form legibly.

*Send Via Certified Mail To: Department of Environmental Protection
ATTN: Solar Energy System Incentives Program
Florida Energy Office
2600 Blair Stone Road, MS-21
Tallahassee, FL 32399-2400

The amount of rebate funds remaining is online at: www.dep.state.fl.us/energy.
Click on "Incentives".

*Note: Applications may be hand delivered to the Department at the address indicated.

Applicant Information

Indicate solar energy system type: photovoltaic (2kW minimum) solar domestic water heater
(Submit a separate application for each rebate) solar swimming pool heater commercial solar water heater

Indicate if system is installed at a residence, business, or public facility: residential commercial public

Applicant name:

Street address of applicant:

City: State:

County: Zip Code:

Electric utility serving the site location:

Email address: (optional) Contact phone:

Address to which check is to be mailed (if different from applicant address):

Street:

City: State:

County: Zip Code:

Site address of solar system (if different from applicant):

Email address: (optional) Contact phone:

Amount of Rebate Requested

The amount of rebate funds remaining is posted online at: www.dep.state.fl.us/energy. Click on "Incentives".

Indicate amount of rebate requested:

- \$100 solar swimming pool heater
- \$500 solar domestic water heater
- \$15 per 1000 Btu commercial solar water heater (maximum of \$5,000)
Calculate your State of Florida rebate: 0.015 x system Btu's/day = \$ _____
- \$4 per Watt photovoltaic (2kW minimum system size with maximum rebates of \$20,000 for residential or \$100,000 for commercial)
Calculate your State of Florida rebate: 4 x manufacturers' DC rated module Watts for total system = \$ _____

Applicant Certification: I hereby certify that the information contained herein is true and correct and that the solar energy system described herein was installed on my property by the referenced contractor on the date shown on the attached photocopy of the signed original purchase agreement.

Signature: Date:

System Specifications (To Be Completed by System Installer)

Enter the technical data that is applicable to the type of system installed

For a solar water heater provide collector manufacturer & model number:

For a solar swimming pool heater provide collector manufacturer & model number:

Provide the photovoltaic system module manufacturer & model number:

For a commercial solar water heater provide collector manufacturer(s) & model number(s):

For commercial solar water heater only – provide the Florida Solar Energy Center Thermal Performance Rating total Btu's/day:

For a photovoltaic system - provide the module manufacturers' DC power rating in Watts for total system:
